- Each student should have a fully completed application form for each and every term/ course on file with the school Administrator. Any incomplete fields on the form are to be discussed with Artistic Director. It is the parents' and student's responsibility to ensure that all registered details are kept updated with any amendments by logging into their respective [MindBody profile](#) and updating any details accordingly.
- Dance Project Studios primary means of communication with our customers for new services, service updates, invoicing and receipts is via email to the single email address noted with each student profile on registration, in conjunction with the [Dance Project Studios official website](#).
- It is understood that Parents, Guardians and Students are familiar with the [DPS General Data Protection Policy](#) and fully accept to abide by them. These Regulations shall remain in force at all times. This document shall remain available via the school Administrator and on the Dance Project Studios website.
- It is understood that Parents, Guardians and Students are familiar with the [DPS Copyright Statement](#) and fully accept to abide by it. More specifically, any choreographic work produced by Dance Project Studios during the course of tuition/workshops and for the purpose of any production/performance/competition whatsoever, shall remain the sole intellectual property of Dance Project Studios in its entirety. For clarity, choreographic works shall under no circumstances be reproduced by a student/s or any other third-party without the explicit written consent from a DPS Director.
- Customer data shall be collected, stored, transmitted, manipulated and processed as deemed necessary by the Directors for the purposes of research, management, monitoring and performance of both the student and the school.

- Early Bird pricing on service fees may be offered from time to time. Early Bird pricing will be available for registration with settlement of fees up until the specified Early Bird deadline following which our Standard Fees become applicable. For clarity, Dance Project Studios are to receive both registration/s and full term/programme payment **ahead of the Early Bird deadline** in order for customers to take advantage of the Early Bird pricing offer.
- Dance Project Studios typically schedule a 3 week Christmas break and a 3 week Easter break with a 1 week Mid Term break each term through the scholastic year. Furthermore, we shut down over the *Santa Maria* week in summer. No standard schedule classes occur over these closure periods. We aim to align our scheduled Mid Term breaks with academic school mid terms, however, this is not always feasible dependent on the calendar year and events/ activities that are in our planning pipeline. No standard schedule classes occur on public holidays. Classes falling on public holidays are not postponed and there shall be no pro-rata refund of tuition fees for such classes.
- Service fees are due on registration for the service, i.e. ahead of the service provision, and not on invoice. Invoices for any remaining unsettled term service fees are typically issued between the second and fifth week of each term. Product fees are due on order and not on delivery of products. All invoices will be communicated to the single email address noted with each student profile on registration and they become immediately due.
- Failure to effect payments when due will constitute a default. A Late Payment Administration Fee may become applicable on overdue tuition fees. Furthermore, Dance Project Studios reserve the right to charge interest at 1% per month if fees are not settled within our terms of payment. In the event of a default, Dance Project Studios shall have the right to refer such defaults to a credit reference agency/ies for database registration.
- Services not attracting sufficient registrations may be withdrawn without notice. Should a service attract less than four (4) students, Dance Project Studios reserves the right to treat the service as a private lesson in terms of service fees and therefore private lesson rates will become chargeable accordingly. Customers will be consulted on such decisions.
- Schedules are subject to minor changes in order to optimise service delivery.
